

Lockdown is almost over and Spring is around the corner!

We are delighted to present our new range of [melamine](#) and [acrylics](#) to select for your Spring Summer 2021 portfolio.

As lockdown comes to an end and the country starts to reopen, why not prepare for customers wanting to spend more time entertaining outdoors? Think parties, BBQ's and informal drinks on the patio.

Our authentic and original designs of "I can't believe it's not ceramic" heavy weight melamine is now complimented perfectly with our acrylic and barware ranges.

The [Rio Corte](#) - Great summer vibes inspired by Moorish hand painted terracotta combined with Mediterranean colours, this best selling range is continued for 2021 and sure to delight.

The new [Lemon Fresh](#) melamine range is just what is needed to cheer us up with its bright colours and zingy fresh design. Check out the fantastic serving platters, the best around, perfect for a centre piece alongside the coordinated plates and deep sharing bowls.

Our range of [Acrylics](#) covers drinkware, tableware and even picnic products. Our break proof [Pitchers and Jugs](#) will be a popular choice for a round of Pimms or at children's parties due to their safety and strength.

We have additional stocks of all our acrylic wine glasses and flutes landing soon to give us our best cover yet across this season.

Get 5% off [Acrylics](#) using promotional code AC5% at checkout when ordering online. This offer ends Wednesday 31 March.
