## EARTH DAY 22 APRIL 2021

chemicals, bleaches or chlorines in either the product or packaging, using FSC Certified paper from managed forests and plant based food safe dyes. Our [Bees Wrap](#) brand remains the market leader in the category and their use eliminates the need for single use plastics when used instead of cling film or plastic wrap. Bees Wrap uses only GOTS certified organic cotton which now includes a new VEGAN wrap

The [Bokashi Organko](#) products by [Skaza](#) also recognise the importance of recycling with their range of composters. With the Bokashi bran, this composter can create nourishing food for your allotment or indoor plants from household food waste collated.
