

## Paddington Range - Introductory Offer

**Marmalade sandwiches not included!**

Paddington bear is in the news again as a The Story of a Bear Exhibition is launched at the British Library [Paddington - The British Library \(bl.uk\)](https://www.bl.uk) Filming on the next movie release has also just been confirmed to start next year too. The [Paddington home and gift range](#) by Eddingtons features the iconic Michael Bond character centred around designs taken from the original Peggy Fortnum illustrations which have a timeless classic appeal. The categories within the collection includes baking accessories for adults and children, combining aprons and tabards with rolling pins and biscuit cutter sets. Ever

popular non-stick baking spatulas have measure equivalents and a mini spatula included adding fun to family summer holiday baking activities.

Eddingtons have collaborated with the popular Bees Wrap brand of waxed wrap to create a range of sandwich and picnic wraps perfect for summer outings or for bears on the move whilst ditching the need for plastic wraps and films. Made from GOTS certified organic cotton and natural bees wax the wraps are reusable up to 100 times over. Couple these with Snack bags and Collapsible cups the on-the move collection is complete. Marmalade sandwiches not included!

Finally, breakfast will never be the same again with a bear at the table. Egg cups and egg and soldier boards complete the range.

We would like to offer you the chance to order our [Paddington range](#) at a pre price increase & discounted price. We have fantastic offers to create the range in store, combine the **full** range of Paddington products and save over **£200!** Other offers include the bakeware, on-the-go and bakeware ranges. Click the button before for the offer or contact your sales rep for more information.

**Paddington Offer**

*Paddington Bear Food Wraps:*  
[PB0001](#)

These food wraps are a natural alternative to plastic wrap for food storage. From start to finish; close attention is paid to the ingredients and materials used throughout the entire production process. The wraps are reusable, biodegradable and compostable with each pack including a small, medium and large wrap.
